AFD Group Offer in Bangladesh

#WorldInCommon

AFD Group at a glance

AFD Group contributes to the implementation of France's policies for sustainable development and international solidarity.

The Group includes Agence Française de Développement (AFD), which finances the public sector, NGOs, research and training; its subsidiary Proparco, which is dedicated to the private sector; and Expertise France, its subsidiary in charge of technical cooperation. The Group finances, supports and accelerates the transitions needed for a fairer, more resilient world.

With our partners, we are building shared solutions with and for the people in more than 150 countries, as well as in 11 French Overseas Departments and Territories. As part of the commitment of France and the French people to achieving the Sustainable Development Goals, our teams are at work on more than 4,200 projects in the field. Our objective is to reconcile economic development with the preservation of common goods, from peace, the climate and biodiversity to health, education and gender equality. Towards a world in common.

THE AFD GROUP CONSISTS OF 3 ENTITIES

AFD Group in South Asia

In 2019, the South Asia Regional Office was created to ground and foster operational synergies between the three Group entities, to the benefit of clients and partners.

The Regional office of South Asia based in New Delhi and Colombo covers 8 countries: Afghanistan, Bangladesh, Bhutan, India, Nepal, Pakistan, Sri Lanka and The Maldives.

STRATEGIC MARKERS OF AFD GROUP IN THE SOUTH ASIA REGION

A diverse portfolio of activities amounting to more than €7 billion committed over the last ten years, in numerous sectors including urban mobility, clean energy, water and sanitation, sustainable banking sector, health, biodiversity, financial inclusion and innovation.

A regional, climate-oriented strategy that fully contributes to the implementation of **the Indo-Pacific agenda of France**. Proparco's support for private players investing in the Indo-Pacific currently represents more than USD 143 million, with a leverage effect of more than USD 1 billion of investments.

A strong commitment to climate, with a minimum of 70% of annual commitments presenting climate co-benefits, and significant supports towards low-carbon and resilient trajectories.

Gender equality as a cross-cutting pillar, a pro-gender approach to mainstream gender during the whole project cycle, and monitoring and accountability: a minimum of 60% of projects rated DAC 1 or DAC 2 and projects qualified under the "2X Challenge" for Proparco.
